

Lower Your Energy Costs with the Energy Alliance

The Energy Alliance program helps businesses manage energy costs by providing access to competitive electricity and natural gas rates. There is no cost to sign up, and the Energy Alliance manages the entire process on your behalf—ensuring a smooth experience and access to the best available pricing.

Through the Energy Alliance, members have the choice to secure fixed-rate contracts with top-tier energy suppliers, helping protect their budget against market volatility and unexpected price increases.

List of firm services and capabilities

- Energy procurement and risk management
- Exclusive Community solar access
- Ongoing energy market monitoring
- Strategic market timing recommendations
- Demand-side curtailment program evaluation
- Capacity PLC notification services
- Budgeting and forecasting support
- Energy Star certification and benchmarking

Getting started is easy

Complete the Participation Authorization Form.

The Energy Alliance creates an energy evaluation

Participation Authorization

Yes, we are interested in procuring energy supplies and services through the Energy Alliance (Alliance). By signing below, we are indicating our consent and authorization:

1. For our electric and gas utilities to provide data (which will be kept confidential) about our energy usage and costs that may be requested by the Alliance, its consultants (Priority Power), and/or selected suppliers;
2. For the Alliance or its consultants to include our name listed as a potential energy purchaser for the purpose of supporting competitive procurements to be issued by the Alliance or its consultants to providers of energy supplies and service.

NOTE: The execution of this Participation Authorization is NOT a commitment by this organization to contract for electricity or natural gas through or in conjunction with the Alliance. No commitment or obligation will be required until a pricing offer and agreement is presented and accepted.
